**Subject: European Commission Workshop on the implementation of Regulation 1370/2007 – 14 November 2011, Brussels**

Dear Mr. Klatka,

The Workshop on the implementation of Regulation 1370/2007 on Public Passenger Transport Services by Rail and by Road held in Brussels on 14 November 2011 has been a great success. We have had very positive feedback from participants and we are of the opinion that we have been able to create a solid basis for fruitful future action on a coherent and Internal Market oriented implementation of Regulation 1370/2007.

With your presentation you have contributed substantially to the success of the Workshop. We would therefore like to thank you very much for your support.

As we were very pleased with the contributions of the panellists and other speakers, we would like to publish the slides of your presentation on the Commission website in order to make them available to all participants of the Conference and to further interested parties.

May I ask you please to communicate your reaction to this request or any related question to Mrs. Rositsa Dimitrova (E-mail: [move-pso-regulation@ec.europa.eu](mailto:move-pso-regulation@ec.europa.eu), Tel: +32.2.29.86423). As we already received many requests for transmission of the presentations for this workshop, we would be grateful to have your reaction until 20 December 2011 at the latest.

We hope that your impression of the Workshop has also been positive and that you have been able to benefit from it, too.

Yours sincerely,
